Re: Kentucky Power Company Petition for Confidentiality  
PSC Case No. 2007-00477

Dear Mr. Overstreet:

The Public Service Commission has received Kentucky Power Company's Petition filed January 15, 2008 requesting to protect as confidential, certain information in its Response to the Commission's Data Request Nos. 17 and 45. This information is identified in the Petition as estimations of avoided energy and demand costs, as relied upon in cost-benefit analyses as requested in Data Request No. 17, and expectations of costs of capital or discount rates assumed for new projects as requested in Data Request No. 45.

A review of the information has determined that it is entitled to the protection requested on the grounds relied upon in the Petition, and it will be withheld from public inspection.

If the information becomes publicly available or no longer warrants confidential treatment, you are required by 807 KAR 5:001, Section 7(9)(a), to inform the Commission so that the information may be placed in the public record.

Sincerely,

A handwritten signature in black ink, appearing to read "Beth O'Donnell", written over a large, circular scribble.

Beth O'Donnell,
